View Campaign

1. Scan the QR code or type the following URL:
<https://sjid.betterworld.org/campaigns/read>
2. Choose the participant you are supporting

Tracking What You Read

There are two ways to track what you read.

1. Write it down on the "My Reading Tracker" form. Reading is logged by the following age levels: 0 to 3 by book; 4 to 14 by minutes; and 15+ by page.
2. Track it electronically with the "My Reading Tracker" Excel spreadsheet.
3. Reading Trackers are due to SJI by **Friday, March 7th**.

Ways to Fundraise

There are two ways to raise money while you read.

1. Ask family and friends to pledge a "by the minute/page/book" depending on your age. For example, if someone pledges 5¢ for every page you read and you read 100 pages, then they would owe you \$50. You can get creative...1¢/minute or 5¢/30 minutes.
 - a. Log reading by the following age levels: 0 to 3 by book; 4 to 14 by minutes; and 15+ by page.
2. Family and friends will donate a flat amount.

Donations: Payment on Betterworld, Check, or Cash

1. Electronic Payment on Betterworld
 - a. Scan the QR code or type the following URL:
<https://sjid.betterworld.org/campaigns/read>
 - b. Pick the participant you are supporting
2. Checks payable to: **St. Joseph Hearing + Speech**
3. **Friday March 14th** All donations and Reading Trackers are to be turned into SJI.
